**Notice: FY2026/3 Q3 Consolidated Financial Results Summary Disclosure Delayed
(Over 45 Days After Quarter-End)**

We hereby announce that the disclosure of the Consolidated Financial Results for the third quarter of the fiscal year ending March 2026 is expected to exceed 45 days after the quarter-end. We sincerely apologize to our shareholders, investors, and all other stakeholders for the significant inconvenience and concern this may cause.

1. Reason for the Delay in Disclosure of the Consolidated Financial Results Summary

As announced on October 9, 2025, in the “Notice Regarding the Establishment of a Special Investigating Committee,” we have identified inappropriate accounting practices (deferral of losses) related to inventories and other items at several consolidated subsidiaries and within our Plant Gas Division. In response to this situation, we established a Special Investigating Committee composed of external experts on October 9, 2025, and the investigation is currently underway.

Furthermore, as announced in the “Notice Regarding Approval for Extension of Filing Deadline for Semi-Annual Securities Report” dated November 14, 2025, we have received approval to extend the filing deadline for the Semi-Annual Securities Report for the fiscal year ending March 2026 to February 13, 2026. We plan to file the Semi-Annual Securities Report and announce the Consolidated Financial Results summary for the second quarter (interim period) of the fiscal year ending March 2026 by that date.

Given these circumstances, and as the procedures related to the third-quarter financial results for the fiscal year ending March 2026 are also expected to require a considerable amount of time, we have decided to postpone the disclosure of the Consolidated Financial Results summary for the third quarter of the fiscal year ending March 2026.

2. Future Schedule

The announcement date for the third-quarter financial results for the fiscal year ending March 2026 will be disclosed promptly once it has been determined.

In addition, the filing of the Semi-Annual Securities report for the fiscal year ending March 2026 and the announcement of the Consolidated Financial Results summary for the second quarter (interim period) are scheduled for February 13, 2026.
